# Going Beyond Green: Strategic Transformation Through Human Capital Planning

*A Conference for Federal Government Managers*

*The key competitive difference  
in the 21st century will be  
people. It will not be process.  
It will not be technology. It  
will be people. . . The stakes  
are high.*

— *David Walker, Comptroller  
General of the United States*

*The human capital effort is  
not about HR. It's about  
managers being strategic  
about their workforce.*

— *Marta Perez, Director Human  
Capital Performance Project,  
Office of Personnel Management*

November 14, 2002

# Going Beyond Green: Strategic Transformation Through Human Capital Planning

*A Conference for Federal Government Managers*

## Keynote Speaker:

**J. Christopher Mihm, *Director, Strategic Issues, GAO***

Chris Mihm leads GAO's work on strategic human capital management issues and related results-oriented management initiatives. Chris has appeared as a witness before congressional committees on numerous occasions to discuss federal management, strategic human capital, US Census, and DC government reform issues and has been actively involved in working with committees across Congress to show them how strengthened public management can improve the performance and accountability of the federal government. He is a fellow of the National Academy of Public Administration.
